#### **UNIVERSITY CREDIT CARD AGREEMENT**

# Fundamentals of the Program

The University Credit Card is a card owned by the university that may be used for university business, as well as university travel and entertainment expenses. Using a University of Richmond University Credit Card is a responsibility that should not be taken lightly. Continued use of the University Credit Card is contingent upon adherence to the University's policies and procedures. Therefore, it is vital that you read this agreement carefully to ensure that you fully understand the program's key requirements. Your signature on this agreement is acceptance of all elements of this agreement.

Training will be provided by the University Procurement Office, prior to the credit card being issued. The cardholder must comply with any additional training requirements as determined by the University Procurement Office.

Cardholders may assign responsibility for reconciling their credit card transactions to an "Expense Data Entry Specialist" in Workday.

The University may terminate the right to use the University Credit Card at any time, for any reason. The University Credit Card shall be returned to the University Credit Card Program Administrator immediately upon request or termination of employment (including retirement).

If the University Credit Card is lost or stolen, the cardholder will notify the University's Credit Card Program Administrator (<a href="mailto:creditcards@richmond.edu">creditcards@richmond.edu</a>) and the credit card company, JP Morgan Chase 1-800-270-7760, immediately.

If a University Credit Card is compromised, the cardholder will receive written notification via email from JP Mogan Chase and is required to contact JP Morgan Chance at 1-800-270-7760 in response to the notification.

## **Program Compliance**

Prior to signing this agreement, review the <u>University Credit Card</u> policy and other related financial policies (listed in the University Credit Card policy's "Related Policies" section), which are located on the <u>Policy website</u>. Additionally, review the <u>Allowable</u> and <u>Non-Allowable</u> expenses (listed on the University Finance website). Completing this agreement indicates you have read and agree to adhere to such policies.

- Failure to comply with this and other financial policies may result in actions taken as outlined in the <u>Reporting and Investigating Suspected Financial Fraud, Waste, and Abuse</u> policy. Specifically, failure to adhere to this agreement will be considered improper use of the card and may be considered financial misconduct. Improper use includes, but is not limited to:
- Failure to justify the expense based on the <u>Use of University Resources and Financial Responsibilities</u> policy (Business purpose, reasonable, appropriate, and necessary-BRAN)
- Failure to provide receipts for each transaction placed on the University Credit Card
- Failure to reconcile University Credit Card transactions by the deadline established by the University Procurement office.
- Placing personal expenses on the University Credit Card
- Purchasing items that are not allowed, based on University policy.
- Sharing individual University Credit Cards with others
- Splitting transactions to circumvent University Credit Card limits or restrictions
- Submitting reimbursement requests for expenses that were purchased on a University Credit Card
- Supervisors placing their own travel or business expenses on a University Credit Card that they approve.

### **Departmental University Credit Card**

If a departmental University Credit Card is issued, the cardholder is responsible for ensuring that others who use the University Credit Card are aware of the program requirements, as outlined in this agreement and the University Credit

Card policy. Additionally, the cardholder is responsible for keeping track of who has used the card and obtaining the necessary receipts and documentation for each transaction placed on the card. The <a href="Department Card Sign Out Transaction Log">Department Card Sign Out Transaction Log</a> may be used to satisfy this recordkeeping requirement.
